

Membership of WYO

The aim of the orchestra is to provide a social atmosphere in which every young musician can develop their skills within the orchestra.

The annual fee for membership is £30, which helps towards the running costs. The orchestra is fully self supporting and independent.

New members between 9 – 20 years of age are always welcome in any section in the appropriate orchestra.

If you have a member of your family or friend who would be interested in joining, please contact Dennis for further details on 01934 622519 or 07787 520230.

Next Concert – Full orchestra
